

MOBILE SAFETY STEPS

- All models are fully welded throughout and available with ribbed rubber treads. Finish: All colour finishes are hard wearing powder coated, white, grey, light blue, red, green, yellow or orange.
- Close fitting continuous single rail guard around top platform, extending down each side of stairway as a short handrail. Platform W x D: 2 step 380 x 180mm. 3, 4 & 5 step 380 x 280mm.
- Fitted with dome covered spring loaded, 50mm dia swivel castors which retract when weight is applied to the steps, giving firm contact with the floor. Grey non-marking tyres. Dome covers have a double rolled bottom edge together with a protective cover strip, giving a neat appearance and reasonable protection to carpets and other floor surfaces.
- The steps should not be moved with loaded basket in place. Maximum load capacity 120kg (operator and goods carried).

EASY GLIDE MOBILE STEPS

- Choice of injection moulded all weather non-slip treads or expanded steel mesh treads - 400 x 200mm.
- Working platform.
- All weather non-slip injected moulded treads.
- Epoxy powder coated - 4 colour options available.
- Certified to BS EN 131 Professional.

Please specify colour when ordering:

These steps glide easily and effortlessly across floors but once body weight is applied, they stay firmly in position. The strong steel dome feet enclose the spring loaded castor and are fitted with a solid moulded protection ring that grips firmly to the floor when in use.
