KNOCK DOWN MOBILE SAFETY STEPS

The fold down version has been subjected to the same stringent design, safety and ergonomic criteria as our fully welded steps. When bolted and erected for use it is strong, safe and mobile.

- Central 'No Access Bar' braking system.
- 300kg SWL.
- Platform size W x D: 550 x 400mm.
- Standard tread size W x D: 550 x 200mm.
- All models fitted on 2 rubber swivel front castors and 2 rubber rear wheels.
- Colours available: blue, red, green, orange, yellow and grey. Please state choice when ordering.

BESPOKE PRODUCTS

We can supply products made specifically to order. Safety steps can be supplied with extended platforms as shown in picture or with safety gates to prevent unwanted access. Walk through platforms and detachable chain guards can also be fitted.
