

Our expert says

Misuse on ladders! The cause of more accidents than all other industrial mishaps!

LADDER SAFETY ACCESSORIES

LADDER TAGS

The Yellow Book provides easy to follow, step by step guidance on legal requirements and all the necessary documents to set up your own ladder inspection management system. It works in conjunction with the Safety Tag Insert and Holder. Duplicate inspection reports and triplicate fault notification reports and step by step guidance on legal requirements and how to conduct a risk assessment are included.

- Plastic holder for safety tag inserts.
- Visual record of ladder inspection.
- Designed to work with Scaffoldtag Inserts.
- 1 year warranty.

REF	Packs of 10	PRICE
1400-050	Safety Tag Holder	£16.09
1400-050A	Safety Tag Insert	£16.09

LADDER GUARD

The Ladder Guard accessory restricts unauthorised ladder access on site and is an important safety measure. It also provides a quick and easy solution, hooking over the rung and locks at the rear via a solid brass long shackle padlock (included). Suits ladders with internal rung widths 250mm - 375mm.

- Padlock included.
- Restricts unauthorised access to your ladder.
- Quick and easy to use.
- Weighs 0.5kg.

Don't let thieves use your ladders against you

Our expert says

REF	W x D mm	PRICE
1400-052	400 x 1400	£89.87

WALL BRACKET

Ideal for convenient storage and to guard against theft.

- Big enough to store triple section ladders.
- Quick and easy to use.
- 1 year warranty.

REF	Weight kg	PRICE
1400-034	0.5	£28.16

ALUMINIUM STANDOFF LADDER STAY

- Long established favourite. Designed to keep the top of the ladder 300mm away from the wall, to assist in painting and general maintenance work etc.
- Easy to attach and detach. Suitable for trade, industry and domestic use.

REF	PRICE
LLS	£64.00

RIDGE HOOK

- Replacement hook for trade and industrial roof ladders.
- Easily attached.
- Fitted with easy positioning wheels.

Our expert says

Quick and easy assembly saves buying and storing an extra ladder

REF	PRICE
RHW	£108.00

THE LADDER STOPPER

- One man safety - no need for another to 'foot' your base.
- Suits ladders up to 610mm wide.
- Tried and tested on wet and dry floors, concrete, polished floors, even on grass etc.
- Prevents bottom and sideways slips.
- Gives longer life to the rubber feet of the ladder.
- 1400-058: rugged construction of solid rubber base and TUV tested to NEN2484.

ROOF RACK LADDER CLAMPS

- Easy to use. Designed to lock ladders or steps securely in place. Will secure up to three ladders.
