

BOTTOM EMPTY SKIPS

Bottom empty dumping skips are designed to simplify the movement and disposal of factory waste. The unit is operated by lowering onto the side of your skip allowing the contents to be dumped automatically without the driver leaving his seat.

- Polyester powder coated in bright orange for safety.
- Zinc plated fork heel pins for safe attachment to truck.
- Supplied with castors ready for use.
- Fully tested with certificate.

REF	Nom cap cu metre	Body thick	Fork spread	Size L x W x H mm	PRICE
IBE-1	0.80	3mm	848mm	1050 x 850 x 900	£1444.80

IBE-3	1.45	3mm	848mm	1500 x 1050 x 900	£2004.80

HEAVY DUTY INDUSTRIAL WASTE TRUCK

This heavy duty, sturdy waste truck is fitted with 6 x 4" nylon swivel castors for mobility whilst also being fork lifted under the handles. It features a hinged drop away base for easy emptying and can be supplied with a rodent-proof lid. A fork lift will be required to unload on delivery.

- UK manufactured with a 3 year guarantee.
- CE marked and plated.
- Load capacity: 300kg.
- Fitted as standard with a deflector panel at the base of the waste truck to allow gradual safe and controlled emptying.

MULTIPURPOSE SCOOP FORK TRUCK ATTACHMENT

Multipurpose Scoops are an essential all round mechanically operated attachment, ideal for handling a variety of loose materials such as sand, coal, grain, potatoes, ash, scrap metals and swarf etc where accurate measurement of volume is not essential.

Standard features:

- Operating mechanism protection.
- Zinc plated fork heel pins for safe attachment to truck.
- Polyester powder coated in bright orange for safety.
- Secondary locking mechanism.
- Removable toothed leading edge wear blade.

REF	Nominal cap (m³)	Max fork size mm	Fork centre mm	Length mm	Width mm	Height mm	PRICE
IMS-1	0.25	150 x 50	675	1015	860	660	£1411.20
IMS-2	0.50	150 x 50	675	1015	1300	660	£1465.60

UNDER SLUNG SCOOP FORK TRUCK ATTACHMENT

The Under Slung Scoop is a perfect choice when space and manoeuvrability is at a premium as the scoop is positioned below the forks and with the added benefit of a reduced load centre. Ideally suited to the large non-calibrated volume movement of sand, gravel, top soil etc.

Standard features:

- Polyester powder coated in bright orange for safety.
- Zinc plated fork heel pins for safe attachment to truck.
- Secondary locking mechanism.

Optional extras:

- Left and right hand lever discharge.
