

DL360SP

DRUM LIFTERS

Choice of two simple to use drum lifters that are great for lifting in confined spaces. Both lift steel drums vertically with the DL360SP being able to lift steel and plastic drums.

DL350

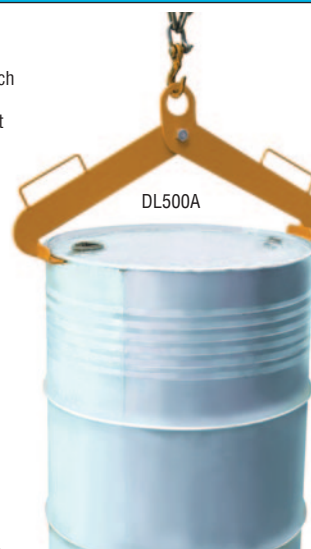

REF	Capacity kg	Drum type/size	Weight kg	PRICE
DL350	350	steel/250 ltr	9.5	£85.12
DL360SP	360	steel & plastic/35/55 gal	5	£156.80

DRUM LIFTERS

These drum lifters are very easy to attach to a lifting device and are easy to use. The DL500A lifts drums vertically whilst the DL500 (fitted with alloy chains) will handle drums in the vertical and horizontal position.

DL500A

DL500

REF	Capacity kg	Drum type/size	Weight kg	PRICE
DL500	500	steel/210 ltr	5	£69.44
DL500A	500	steel/210 ltr	5	£71.68

PDL500

VERTICAL DRUM LIFTERS

Both lifters will operate drums in the vertical position only. Simple mechanical operation to save time and ease lifting task. The PDL500 handles 35 gallon plastic drums with a maximum 465mm dia drum opening.

DL500B

REF	Capacity kg	Drum type/size	Weight kg	PRICE
DL500B	500	steel/210 ltr	8	£80.64
PDL500	500	plastic/35 gal	10	£154.56

HORIZONTAL DRUM LIFTERS

Both lifters will operate to lift drums in the horizontal position only. The DN500 has a semi-automatic mechanical operation.

DN500

DM500

REF	Capacity kg	Drum type/size	Weight kg	PRICE
DM500	500	steel/210 ltr (55 gal)	4	£49.28
DN500	500	steel/210 ltr (55 gal)	8	£85.12
