PORTABLE ALUMINIUM GANTRY

A cost-effective alternative lifting solution to overhead cranes. The ultimate in lightweight construction for ease of portability. These high quality and extremely durable gantries are ideal when you require constant assembly and disassembly, such as use by site personnel or for a remote/difficult location. These units can be both built and dismantled in a matter of minutes.

- Spans up to 6 metres.
- Lightweight - complete model starting at just over 45kg.
- Designed to be portable with simple locking pins that make assembly and disassembly easy.
- Carry handles and folding legs makes transportation easy.
- Ergonomic 360° swivel locking castors as standard.
- Six locking pins offer the disassembly into five unique sections.
- Height adjustable.
- Folds up for easy storage.
