INGREDIENTS TROLLEY

Popular in commercial and plant bakeries, food manufacturing and processing, hotel and restaurant kitchens and the general hospitality trade. These ingredients trolleys are ideal for storing, transporting and dispensing dry food ingredients such as flour, cereal, rice, sugar and grain. They come in a variety of colours to support with colour-coding and product separation requirements. Designed to allow easy filling and dispensing but also have lids to protect contents, prevent spills, smells and cross-contamination. They are compact and mobile, so can be stored easily under tables to maximise space.

- Smooth, easy to clean surface.
- Ideal for bulk ingredients.
- Logos/text can be added at extra cost.
