

## LOUVRE RACKS

A great way to organise small parts storage.

- High density storage combined with quick easy picking.
- Single or double sided rack that can be built into a longer run by adding on multiple extension bays.
- Strong frames made in box section profiles powder coated in light grey with louvre panels from hard wearing galvanised sheet.
- Starter racks can be used as standalone units or the first rack of a run.
- Size of racks: 1920 H x 930 W mm.
- Choose bins to suit from our 'ARTB' range.
- Price includes frames with adjustable feet. 3 x louvre panels per side and all necessary fixings.
