

SMALL PARTS CONTAINERS

SMALL PARTS CONTAINER TRAYS

- Unlike other containers, ours are made from high grade virgin polypropylene which is stronger polyethylene and does not crack under pressure or lose its colour.
- Ergonomically designed with an optional integrated handle.
- The widest range of sizes of its type in the market.
- Container can be subdivided into sections to suit your needs. Large selection of dividers, safety handles and dust covers are available.
- Each container comes with a removable white identity label card.
- RK containers are suitable for storage in both hot and cold environments.
- Containers are available in dove blue or eco black.

Eco recycled containers to reduce your impact on the environment and save you money!
