

ADV STACKING CHAIRS

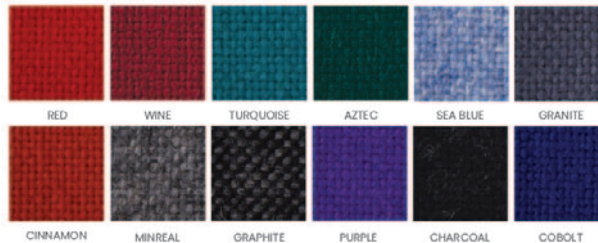

This polypropylene stacking chair is available in eight shell colours with a black plastic frame. The keyhole located in the chair back makes a useful carrying handle. Make your chair all the more comfortable with the addition of a seat pad or seat and back pad. Then add a linking option if you need to group your chairs.

- Shell colour options: Green, blue, red, charcoal, beige, brown, orange and black.
- Ideal for outdoor use.

FOLDING POLYPROPYLENE CHAIRS

A stylish folding polypropylene chair with its contoured back offers exceptional comfort. The tall back provides extra support and convenient hand hold makes for easy handling. The double riveted cross-brace prevents the legs from sinking into the ground at outdoor events. Once folded flat the chairs will interlink and can therefore be safely stacked up to forty high.

- Choice of three colours: burgundy, blue and charcoal (please state preference when ordering).
- O/D H x W x D: 820 x 450 x 490mm.
- Seat height: 450mm.
- Approx weight: 3kg.
- Sold in packs of 8 only.
