

Our expert says

Sides can move so help to secure the load

OPEN GOAL POST STYLE

Flexible positioning of posts to your required width

PLYWOOD SIDE STYLE

JAIL BAR STYLE

ADJUSTABLE SIDED PLATFORM TRUCKS

A range of platform trucks that have double sides which are adjustable to clamp the load in place depending on their size. The sides can be moved in or out by 100mm centres. The trolley can carry items that are up to 3 times the length of the trolley.

- Choice of 3 styles of sides: jail bar, plywood infilled or open goalpost.
- 500kg capacity.
- Height of sides - 700mm.
- Choice of 3 platform sizes.
- Swivel castors with rubber tyred wheels.
- Extra sides can be supplied and used in a multiple side effect.
