WELDED STEEL MEDIUM DUTY BENCHES

Medium duty, fully welded, ready for immediate use. Our hollow section assembly benches are constructed from square section steel. All joints are welded and each leg has an adjustable foot which enables the bench to be firmly seated on an uneven floor without rocking. These benches are ideal for the assembly of small components, especially for the electronics industry, or are equally useful as packing benches.

- Choose from MDF, laminate or steel top work surfaces as standard. Black vinyl or ESD are also available, please enquire for prices.
- Normal height 840mm.
- Other heights available at no extra cost.
- All sizes are shown in millimetres.
- Frame blue, anthracite, red, silver, yellow, white, light green and green.
- Choice of sizes.
- Not flat pack.
- Accessories available (see next page).
