## WELDED BENCH ACCESSORIES

Accessorise your bench to create the perfect work station for your job.

- Power sockets eliminate trailing power cables therefore reducing trip accidents.
- Drawers and cupboards give a safe place to store your tools and documents.
- Additional fluorescent lighting gives a brighter working environment.
- Choose from four sizes of engineers vice to suit your needs.
- If you need small parts storage and accessibility, louvre panels are the ideal solution.

AB2075L shown with:  
Two cupboards, bars for louvre panels, louvre panels, light rail, fluorescent light and bench top trunking with two twin sockets (supplied unwired).
