HANGING DOCUMENT POCKETS

- Two information pockets manufactured in tough plastic.
- Unique hooked header design.

Our premium hanging pocket features a unique hooked header, designed to hang and grip onto the edge of an industrial wooden case. This pocket offers a dual function, to either store documentation linked to the case or to provide identification where a conventional label will not adhere to the wooden surface. The hanging pocket is also suitable for trolleys, stillages, pallet converters and many more items that have a hanging rail of up to 25mm maximum thickness.
