Reduce damage to goods & vehicles

## UNIVERSAL COLUMN PROTECTOR

- Suitable for square and rectangular shaped columns 200mm up to 700mm in size.
- Unique patented Column Protector is made from a highly flexible and tough low density polyethylene.
- Provides an air cushion impact thus reducing column and vehicle damage.
- Supplied in 4 sections with plastic cross members that can be cut to fit on site, sizes from 200mm to 700mm.
- Very economical when compared to other protectors currently on the market.
- Manufactured in bright yellow and available with or without reflective signage.
- Can be assembled in minutes.
- No fixings to column or floor required.
- Specifications: 1m high x 700mm long. Weight: 4kg per section. Made from linear low density polyethylene (tensile strength at break ASTM D 638 MPa - 9.5).
- To replace damaged sections just order our quarter section replacement.

REF	Description	PRICE
UNCP4	Universal set of 4 pieces	£317.81
UNCP1	Quarter section replacement part	£85.90

## STANDARD COLUMN PROTECTORS

- Air pressure release to cushion the blow.
- Assemble in seconds. No fixings required, fits over baseplate.
- Fit column sizes: 150mm to 300mm and round columns up to 300mm dia.
- High visibility: rotationally moulded, UV stabilised (suitable indoors and outdoors).
- Made from linear low density polyethylene (LLPE).
- Wall thickness 6.4mm.

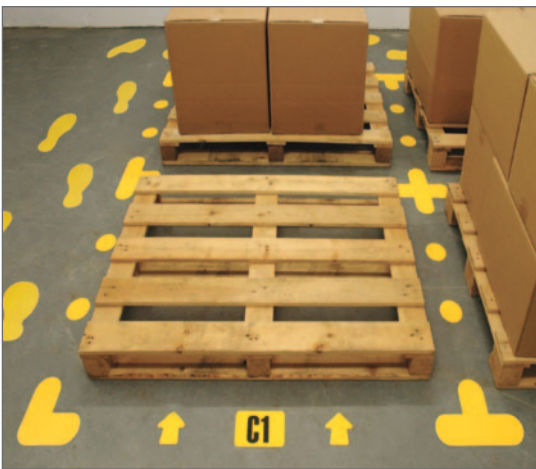

REF	Description	PRICE
CP200	For columns 150 x 150mm up to 200 x 200mm	£360.76
CP300	For columns 250 x 250mm up to 300 x 300mm	£360.76

## SLIMLINE COLUMN PROTECTORS

- Air pressure release to cushion the blow.
- Assemble in seconds. No fixings required, fits over baseplate.
- Fit column sizes up to 160mm x 160mm and round columns up to 150mm dia.
- High visibility: rotationally moulded, UV stabilised (suitable indoors and outdoors).
- Made from linear low density polyethylene (LLPE).
- Overall size: 1100mm high x 390mm dia increasing to 435mm dia.

REF	Description	PRICE
CP100	For columns 100 x 100mm	£277.01
CP150	For columns 160 x 160mm	£277.01

## FLOOR SIGNALLING

A range of inexpensive high visibility signals to highlight walkways, fork truck routes and pallet positions on the warehouse floor. The markers are suitable for application onto a clean, flat, sealed surface.

REF	Shape	Where to use	Size H x W mm	Pack	Colour	PRICE
FS/+	+	For centre pallet positions	300 x 300	10	Blue, Red,	£28.72
FS/T	T	For between pallets	200 x 300	10		Black,
FS/L	L	Corner marking for block stack pallet areas	200 x 200	10	White,	£21.24
FS/O	O	For walkways	90mm dia	100	Green or	£48.32
FS/A	A	To indicate traffic flow or position	90 x 90	100	Yellow	£48.32
FS/F	F	To highlight walkways	300 x 100	10		£21.72
