

CYCLE SHELTERS

These shelters provide storage and security with a screened appearance for landscaped sites. Selected shelters can also be used for mixed parking of both cycles and motorcycles by fitting bike racks in one section.

- Robust all-weather construction.
- Choice of galvanised or powder coated sheet steel side and back panels.
- Adjustable feet for on-site positioning.
- Parabolts for surface mounting included. Must be bolted to 250mm thick concrete for stability.
- Site survey and installation service available.
- Perforated panels are supplied light grey as standard.
- Cycle racks and hoops sold separately.
- Choice of powder coated colours: grey, blue, red, green or black.
