

RECYCLING STATION WITH SIGNAGE

Encourage waste separation with this stylish yet practical recycling station. It houses a 110 litre multiple bin, split into three compartments with colour coded lids: red for plastics, lime green for mixed recycling and white for general waste.

Back board frame displays recycling point poster showing what each disposal bin is for.

- Manufactured from 100% recycled polyethylene.
- A3 poster included.
- Other lid/poster combinations are available, please contact us for more info.
- H x W x D: 852 x 600 x 400mm.
- Designed for indoor use.
- Quick to empty as contents are already separated for next stage of disposal.
- Easy to keep clean and maintain smart appearance.
