## PRESS TO CHECK MASK AND FILTERS

The Force 8 Twin Cartridge F Mask offers a low breathing resistance. The mask is made with a thermoplastic rubber ensuring a superior fit to most face shapes. The mask accepts the full range of Force 8 Filters giving it the versatility to be used for many applications, providing filtering protection against particulates, many gases and vapours. Now with PressToCheck filters you can instantly check that you have the correct seal every time.

- Daily face fit reassurance.
- Passes dolomite.
- Protection against construction dust.
- Improved hygiene.
- Inhalation valve for easy maintenance.
- Low profile covers protect filters.
- Conforms to EN143.
