

SPILL CONTROL CUSHIONS

Cushions and mini cushions are high capacity absorbents for large spill quantities. They have a tough, durable tear resistant cover.

Use:

- On major spills or in sumps and bilges.
- During maintenance works.
- Under machines.

FORK LIFT TRUCK SPILL CONTROL KIT

Clear, weatherproof, tear open bag. Double-sided tape for mounting on fork lift trucks. For spills caused whilst using fork lifts. Contains Dammit slab to seal leaks and tears.

Contents: 8 x pads (40x52cm)
1 x Dammit slab
1 x gloves
1 x goggles

REF	Product	Absorbency (L)	Size cm	PRICE
0170/FL/1	Oil fork lift kit	7	50 x 28 x 7	£42.26
0270/FL/1	Chemical fork lift kit	5	50 x 28 x 7	£42.99

SPILL CONTROL ROLLS

Rolls that absorb fast. Retain strength when saturated. Form part of your spill response plan. Use under dripping machinery or for wiping down surfaces.
