

ENTRANCE MATS

ABSORBENT ENTRANCE MAT

This heavy duty absorbent mat is a great all rounder for use in entrance halls, lobbies, vestibules, foyers and any area with heavy foot traffic. Gripper backing minimises movement on all surfaces and slightly raises mat off the floor to allow air circulation and promotes drying underneath.

- Raised 'waffle' design removes dirt and moisture.
- Optimum water absorption, can hold up to 6 litres per sqm.
- Extremely tough solid borders.
- Great for schools and heavy footfall entrances.
