

## PALLET TRUCK WEIGH SCALE

The PTS pallet truck scale allows users to measure the weight of objects as they are moved from one place to another whether it's in a warehouse on the production floor or in the shipping department.

The sleek, low profile design of the PTS coupled along with solid rubber wheels, steel pallet forks and zero radius pivoting handle make the PTS a must have for commercial and industrial users.

- Capacity: 2000kg.
- Readability 0.5kg.
- Fork size: 160W x 1150L mm.
- Overall size:  
L x W x H, 1580 x 690 x 1180mm.
- Hold function.
- Full tare range.
- Backlit LCD display.
- Digital filters.
- Internal rechargeable battery.

- Bi-directional RS-232 interface.
- Quick and easy keypad configuration.
- External calibration.
- Large display.
- IP66 indicator.
- Steel construction.
- Adjustable angle indicator.
- Check weighing LED lights.
- Capacity tracker.

Our expert says

**SAVE TIME & MONEY!**  
Weigh whilst on the move

REF	PRICE
PTS2000PLUS/AE403	£1980.00

## PALLET TRUCK SCALE WITH INTEGRATED PRINTER

All in one solution - pallet truck, weighing and printing of weight labels, bar codes and QR codes.

- Capacity: 2000kg.
- 0.5kg readability.
- Fork size W x L:  
160 x 1150mm.
- Weighing.
- Parts counting.
- Percentage weighing.
- Checkweighing
- Rechargeable battery.
- RS-232 interface.

REF	PRICE
PTT2000	£1866.00

## FLOOR SCALE

Low profile base and easy access ramp for weighing in warehouses or factories. Use for: weighing, parts counting, percentage weighing, checkweighing and dynamic weighing.

- Rugged industrial construction.
- Adjustable levelling feet.
- Built in ramp to either side.
- Chequered plate surface.
- 3m load cell cable.
- Integrated wheels for ease of movement.
- Optional GK indicator.

REF	Description	O/S W x D x H	PRICE
PTM500	Floor scale	1020 x 803 x 75	£456.00
GK/IND	Indicator	260 x 170 x 115	£162.00

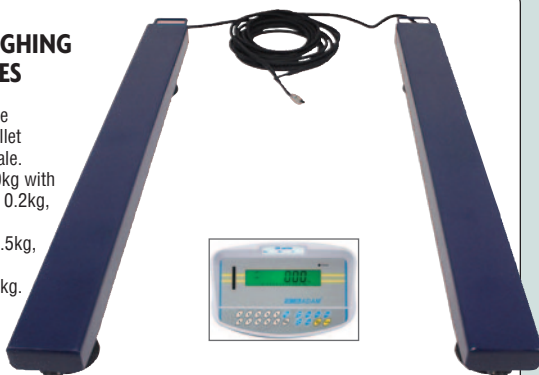

## PORTABLE PALLET WEIGHING BEAM SCALES

- Suitable for use as a parcel, pallet or platform scale.
- Capacity: 1000kg with a resolution of 0.2kg, 2000kg with a resolution of 0.5kg, 3000kg with a resolution of 1kg.

- Beams are 1330 x 120 x 85mm with rubber feet and integrated wheels.
- Indicator with LCD display included.
- Operates off mains supply or rechargeable batteries.

REF	Capacity	PRICE
AELP1GK	1000kg	£604.50
AELP2GK	2000kg	£604.50
AELP3GK	3000kg	£703.50

## TRIPLE BEAM MECHANICAL BALANCES

Suited to educational use in schools, hospitals, R&D and laboratories. The cast aluminium body can cope with the rigours of daily use. Tripod legs raise the scale for performing density calculations and allow a hook to be suspended for below balance weighing.

Accurate readout is through notched and tiered graduation beams with centre reading, magnetic damping slows pointer for faster reading.

- 152mm Ø stainless steel pan.
- Capacity 2610g x 0.1g readability.
- O/S W x D x H: 550 x 110 x 160mm.
- External calibration.

REF	PRICE
TBB2610S	£96.00
