

ADJUSTABLE TRAY TROLLEYS

For general use in office, workshop, production and public utility areas.

- Powder coated 28mm high steel shelves that are individually adjustable in height:
2 shelf adjustment 200-770mm,
4 shelf adjustment 200-1340mm.
- Capacity: 150kg for 2 shelf and 300kg for 4 shelf.
- Powder coated tube steel construction with protection buffers.
- Choice of standard model or electro static dissipative (ESD) model.
- Mesh, panel add-ons available. They can be installed at the ends or the sides of the trolleys. An angle bracket is set on the edge of the upper and lower shelves and the mesh is screwed into place. The 4 shelf trolley can hold 2 mesh panels on top of each other.

4 shelf model shown fitted with 8 panels
