DIAMOND GRIP ANTI-SLIP TAPE

A comprehensive range of anti-slip surfacing products designed to promote floor level safety in the workplace. Suitable for light and heavy foot traffic and available in a choice of finishes - general purpose, coarse or aquasafe.

General Purpose:
- Self-adhesive anti-slip tape for general use around factories, stairs, ramps etc.
- Water, oil and chemical resistant.

Coarse:
- Tough, diamond hard material for heavy duty use - ideal for heavy plant and construction equipment.
- Resistant to clogging.

Aquasafe:
- For barefoot comfort and safety in wet areas.
- Textured vinyl top surface and moisture resistant backing.
