MACHINE STRETCH FILM AND TOP SHEETS

For use with our semi-automatic turntable pallet wrappers where cast film is usually preferred because the rolls dispense quietly without leaving residue and the machine is able to stretch the film to allow it to cling tightly to the pallet.

REF	Description	Weight kg	PRICE
2053-20	500mm x 1550mm x 20 micron cast stretch film	17.50	£92.11
DXS-28	500mm x 1200mm x 28 micron pre-stretch cast film	15.54	£72.80
